

Active OOSH

KINDY

Transition Program

Begins January
Summer School
Holidays

Our award winning program has dedicated educators who will ease your child into primary school daily routines, helping you both bridge the gap to starting Big School!
From as little as \$3.75 per day based on 100% CCS benefit

WHAT TO EXPECT

SCHOOL ROUTINE & SURROUNDS

Your child's days will consist of supervised recess, lunch & regular toilet breaks. Rest & chill out areas are provided. We slowly transition to big school routines while becoming familiar with the school grounds, locations of toilets, play spaces etc.

Your child will also partake in the vacation care activities scheduled for the day so we make sure they have lots of fun too!

FLEXIBILITY

Start with shorter sessions & fewer days if needed & build up ready for school.

More time = more ready! Kindy Educators are on site from 9am-3pm, but our other educators are there from 7am-6pm if you need longer care for your child, no extra fees apply.

COMMUNICATION

Rest easy knowing that you will receive updates throughout the day.

CLASSROOM PICKUP SERVICE

If your child stays on for Before &/or After School Care into the school year, our educators will collect & drop Kindy kids directly to & from their classroom.
